

Welcome to @BusPlannerWeb

Easy, Secure, & Instant Access to Your Child's Transportation Info

BusPlanner Web is a secure online portal that gives parents easy access to their child's school transportation information — anytime, anywhere.

Whether you're checking bus times, verifying eligibility, or receiving alerts, BusPlanner Web helps you stay informed and connected.

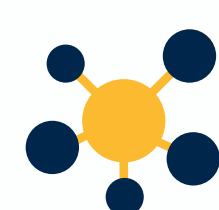

Key Features

- ✓ **Real-Time Bus Info:** Get the latest updates on pick-up and drop-off times — no more guesswork.
- ✓ **Delay & Cancellation Alerts:** Subscribe to receive updates on delays, cancellations, and school closures.
- ✓ **Eligibility Lookup:** Quickly check if your child is eligible for student transportation services.
- ✓ **Secure Access:** Your child's personal and transportation data is protected.

Why You Need BusPlanner Web

Peace of Mind: Know exactly when and where your child's bus is scheduled to arrive.

Stay Connected: Get real-time notifications that keep you informed and reduce uncertainty.

Save Time: No more calling the transportation office — most answers are just a click away.
